

DENTALLY SPEAKING

Quarterly Newsletter of Dr. Michael's Dental Clinic
ISSUE 002 JANUARY - MARCH 2010

DR MICHAEL'S®
DENTAL CLINIC

What sets us apart?

Dr. Michael's has been established since 1997 and has built an outstanding reputation as being among the best Dental Clinics in Dubai.

With over 20 international, specialist dental practitioners, we are able to cater to all your dental needs, from routine dental treatments to full mouth rehab, cosmetic dental procedures,

dental implants and whitening.

The customer care is second to none and Dr. Michael prides his continual success and reputation on his long standing patient loyalty and their word of mouth personal recommendation.

Dr. Michael's Dental Clinic is also committed in the prevention of oral problems through our Educational School Program. We teach children in Dubai how to take better care of their teeth and also have our mobile clinic for onsite dental checkups. If any new Schools are interested to get our great and free of charge program, all they need to do is to call us.

Our Comprehensive Dental Services:

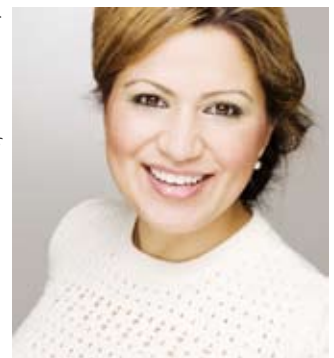

- General Dentistry
- Cosmetic Dentistry
- Oral Surgery
- Implantology
- Orthodontics
- Endodontics
- Paediatric Dentistry
- Dental Hygienists
- Laser Whitening
- Mobile Dentistry - State of the Art Mobile Clinic
- Education & Prevention Programs for Over 16,000 Children

NewsMakers

Dr. Michael's Dental Clinic is excited and proud to welcome, not just one but three (3) highly qualified doctors in their field of specialty, to our team and clinics during 2010. The first of these that has already joined us is:

RASHA ALMUBARAK, D.D.S M.S. DABO

Dr. Rasha AlMubarak obtained her Specialty Certificate in Orthodontics & Dentofacial Orthopedics and Master of Science degree in Oral Sciences at the University of Illinois in Chicago. She is a passionate Orthodontist, not only align teeth but also addresses facial esthetics and smile dynamics. Being a Diplomate of the American Board of Orthodontics; Dr. Rasha

brings to us her extensive experience especially in dealing with complex orthodontic problems.

Dr. Rasha provides the following services:

1. Early treatment (between the ages of 8-10)
2. Dentofacial Orthopedics.
3. Metal braces
4. Ceramic braces
5. Damon system
6. Invisalign
7. Lingual braces
8. Orthognathic surgery
