BBQ Potatoes

Ingredients

454g potatoes - cut into wedges
6 tbsp olive oil
Seasoning mixture of your choice (herbs and spices)

Preparation

1. Baste the potatoes in the oil and the seasoning mixture.
2. Place them in a grill basket or straight on the grill.
3. Turn them periodically and baste with the oil mixture as needed.
4. The potatoes should be ready in 20 minutes, but keep a close eye on them so that they don’t burn.
