- 34 lid off and place in a mixing bowl capable of holding 2 litres and cover with a tea towel.
- 35 Day 10

- 46 100 g walnuts or almonds (optional)
- 47 200 g raisins or sultanas (optional)
- 48 Mix everything together and place into a greased baking tin or loaf tin.
- 49 Sprinkle with 50 g brown sugar and 50 g melted butter.

**50** Bake for 45 minutes at 350F, 175C, Gas Mark 4. Every oven is different, so keep an eye on it, test with a

**51** toothpick.

**52** This cake is delicious served warm with cream, custard or ice cream.

### **Cooks Note**

The first time its made, you make the starter, and this gives you one batch (which is like a small amount of gooey bubbly gunk) to make your own cake, and three cupfulls to pass on with the instructions to make your own. (or keep one of these to start the process all over again). After someone gets the friendship cake starter they follow the instructions and every so many days they add sugar, flour and milk. On the 10th day, the growing mixture is separated into four portions; one to bake with and three to share – and so the cycle goes on.
